

Bale press

BRAMIDAN®

3-X 12

Limited space for waste

The 3-X 12 is suitable for smaller retail shops, industrial companies or other companies, who need a compact bale press with high capacity. The compact design makes it ideal where space is limited.

Equipped with double scissor cylinders, this machine offers superior press force but also a very low overall height. The 3-X 12 has a relatively large filling opening, making the daily operation as easy as possible.

■ Easy installation

Very low overall height

■ Safe and steady opening of door

Operated by a strong threaded spindle

■ Automatic ejection

Two-hand operation ejects the bale
